

PRODUCT ABOUT

In gasoline and diesel portable generators, the GO-BUSINESS GOi-MOTOR generator set offers high performance and reliability. For all manufactured generator sets, prior product testing and factory manufacturing testing are carried out.

POWER

VOLTAGE	Standby Power (ESP)		Prime Power (PRP)		Ampere	POWER (HP)
	kVA	kW	kVA	kW	A	hp
230	3,50	2,80	3,12	2,50	13.04	3.75

GENERAL FEATURES

Model Name	GO-3300i
Fuel Type Used	PETROL
Engine	GO-MOTOR GOi
Fit	EPA III / EU V / CE
Alternator Brand	BUSINESS
Voltage Voltage (V)	1 Faz 230V

ENGINE FEATURES

12V DC output	8.3A
THD(%)	<3
Fuel Tank Capacity (L)	5
Operating Time at 50% Load (H)	9
Displacement(cc)	120
Oil Capacity (L)	0,40
Startup Operating Type	E-Start / Autorun
Noise(dBA)	64

SIZE AND WEIGHT

Width (mm)	500
Length (mm)	295
Height (mm)	490
Weight (kg)	21

GO-BUSINESS GENERATOR reserves the right to make changes in elements of its products such as model, technical specifications, colors, equipment and accessories without prior notice. However, we always guarantee that it has the highest quality standards and features.

- Just scan the QR-GO code on your generator. Thus, you can access all the information of your generator from your pocket.
- Periodic/general maintenance of your generator is monitored by GO-BUSINESS GENERATOR, and it notifies users via Sms / Whatsapp / E-Mail when the time comes.
- For technical malfunction/service situations, you can easily contact the GO-BUSINESS authorized service in your region using the QR-GO code.

- GO-BUSINESS GENERATOR, as the united power of Turkey, offers quality and reliable generator services at home and abroad.
- Generators have high performance, low fuel consumption, long life and easy maintenance.
- Indicators and buttons on the control panel allow you to easily control the generator. It is a generator that anyone can easily use thanks to its simple and understandable interface.
- When you purchase a generator, you also receive technical support, warranty, service and spare parts services. If you have any problems, there is a customer service and technical service team you can reach 24/7.
